

Foundation Stage Weekly News

Friday, 14th July 2017

Look what we've been doing!

We cannot believe we are about to enter the last week of the school year! We have had an amazing year with the children and we are so proud of how far they have come! We are so grateful for all the support we have had from you and we hope you have enjoyed some of the events that the school has put on for you and your child/children.

We had a lovely week this week. The children loved the trip to Hylands Park and we hope you did too. Luckily the rain didn't hold us back too much! The children did very well walking there and back sensibly and enjoyed the activities. Lots of them enjoyed

the bed and crown making activities but they all loved the picnic!

Reminders and messages

Unfortunately, as we are due to have an OFSTED inspection this year, we are unable

to send home your child's special book yet. We will however keep them safe and send them home to you as soon as we can next year.

We will be sending you a letter regarding Tapestry tonight. Please read it carefully as it will give you instructions on how to download your child's online learning journey. **Once you have received a notification that the PDF is ready to download, you will have a week in which to do so before it is deleted from your account.** Please keep an eye out for this email next week as we will not be able to retrieve it once the 7 day download period is over.

We have collected in your child's reading record, words and sounds folder and books today. We will however send home a pack with the first 100 key words and all the sounds we have covered this year. Please practice these with your child/children over the summer.

As we have collected in the reading books we will put some more books on Bug Club for those who use it so that you can continue to read with your child/children over the summer.

Have a lovely weekend!

Mrs Fisk & Miss Weller
