

Foundation Stage Weekly News

Thursday, 29th March 2018

Look what we've been doing!

What an eggciting week and countdown to Easter we have had. We've been decorating and designing our own Easter eggs, practising writing Easter words and creating wonderful Easter cards. We also found out about how Easter is celebrated around us and the Bible story of Jesus coming back to life. We also loved the WISPA cake sale and egg hunt – what a great start to the week! On Thursday we started the day by going to different Easter activity workshops in both Year 1 and 2 classrooms – we felt very grown up. We then came back to search for lots of colourful and chocolate eggs hidden in our Foundation garden and ended the day with a whole school special Easter assembly.

We also want to say a big thank you to all the grown-ups who came in to help us tidy up and sort out the garden. We loved getting our cleaning gloves on and joining in too. Don't forget you can still come in and help us after the Easter holiday and even during it, on the 10th April from 9.30am – 3pm We are always looking for volunteers to fix, scrub, dismantle and sort out the outside. Please watch out for the sign up notice board next term. Please note that we have not done your child's words and sounds this week due to the demands of our outside project. Normal routine will start back up after Easter.

Home Learning

Over the holidays please take the time to practise all sounds and words sent home so far. If they

know them try challenging the children by putting the words/sounds into sentences/words either spoken or written. They could even start learning how to spell their words? OR.....just eat lots of chocolate and have a rest haha!

Tapestry Challenge

Easter challenge: Can you make something out of the boxes your chocolate eggs came in? Including wrappers – be as creative as you like! We can't wait to see the results!

Reminders and messages

Please don't forget to hand in your parent view sheets which were given out at parents evening. It is really helpful to have your comments about your child and their progress in addition to ours.

We have updated your child's Bug Club with a new text if all others have been completed.

Please can we also stress not to let children bring in toys from home as they can be easily lost or broken.

All PE kits have now gone home to be washed over the holidays and please note PE will still be on Wednesdays.

On a final note, we want to thank all the parents for being so supportive and brilliant to work with this term. We want to also say a HUGE thank you to our wonderful Foxes and Squirrels for just being so enthusiastic towards learning and making everything so much fun.

Have a great Easter break, we will look forward to seeing you all in April for our final summer term!
