Friday, 11th May 2018

Look what we've been doing!

Well we can now truly say that both Foxes and Squirrels

are professional duck carers after looking after our wonderful 6 little ducklings for the past two weeks! We were so sad to see them go on Friday but so extremely happy they are all going to live together on a wonderful farm in Chelmsford. They promised to send us a postcard and keep in touch - Mrs Herring has even already made plans to visit them all over the summer!

We have also been working hard on our super sentences and have started to make our own duckling booklets and practising how to draw a duck. Our teachers can't believe how much our letter formation, handwriting and spelling has come on this term! They are very proud of us.

We had our very first class photo on Tuesday – we made sure we had our best poses and smiles on display.

We celebrated Europe Day on Wednesday by looking at some of our fabulous holiday snaps on Tapestry and talking about what countries are in Europe.

When the weather is warmer please make sure your child has 'once' sun cream applied before school. They also need a sun hat (you can leave it at school if that helps) and sunglasses.

Tapestry Challenge

As the Royal Wedding soon approaches it's all about the "big day" next week. We would love for you to send any photos or videos on Tapestry of a wedding you have been to or someone you know getting married or anything wedding related!

Reminders and messages

Don't forget we have Family Learning Time on Tuesday morning. This is a lovely opportunity to enjoy your child's classroom environment with them and have fun looking at all the things we've been getting up to this term.

The Travelling Books Fair arrives on Thursday! Please come and have a look at the wonderful books which are on offer. Any purchases help to raise money for our school library. Full details are in this week's What's On newsletter.

We have begun ordering equipment and resources for our garden. If you can spare any time even if it's an hour please let us know. We need help with cleaning some of the toys and if anyone could come and concrete our swing in we would really appreciate it!

Have a lovely weekend!

The Foundation Stage Team
