

# Foundation Stage Weekly News

Friday, 29<sup>th</sup> June 2018

## Look what we've been doing!

This week it's been HOT, HOT, HOT! So naturally we have enjoyed thinking about our summer holidays and writing about where we might be going and what we want to get up to during the long break. We've also loved thinking of ways to cool ourselves down such as using ice-cubes, foot spas and hose pipes in our EYFS garden as well as making sure we still water our plants and vegetables!

On Tuesday we had the second of our Arts mornings, this time with Foxes experiencing "Splat Art" and Squirrels using ICT to recreate "graffiti style" art.

On Wednesday both classes came together to re-create our own mini sports day with a World Cup football theme!

In Maths we've been practising identifying and writing "tricky teen" numbers and are now getting really good and remembering the special rule of always putting a number 1 first! We also revised time and thought about what activities we can do in 1 minute!

## Tapestry Challenge

Next week, we will start to welcome some of the Nursery children into both classes for little taster sessions alongside the current Foxes and Squirrels. What advice or tips could you give the new little ones? Could you write or tell us your top tip such as "always remember a water bottle" or "always try your best" for us to share with them? It could be a poster, top tips list or a short video.

## Reminders and messages

Firstly, a huge congratulations to Joshua in Squirrels, who was one of the winners of our recent NHS bunting competition! The children were so proud when two representatives from the hospital came to present him with his award!

Please could you remember to bring in PE kits as we are still having PE lessons until the end of term.

Last of all thank you to all those children who have expressed an interest to join Mrs Herring in Backnang Square this Sunday to sing our fabulous Lion King song! We are sure they will steal the show! If you can join us, we will meet at 11am outside the Slug & Lettuce pub.

Have a wonderful weekend! Enjoy the glorious sunshine!
