

Foundation Stage Weekly News

Friday, 6th July 2018

Look what we've been doing!

Not only was it Independence Day in the USA but "Independence Week" in Foundation Stage! We are so proud of how grown up and welcoming the children have been towards the nursery boys and girls visiting us this week. They have been greeting them at the door, showing them around and asking them to join in their play. They are such a wonderful year group, both Mrs Fisk and Mrs Herring could not be happier with how both the Foxes and Squirrels have developed into such grown up and responsible children!

In Maths we have revised learning the time to the hour and some of us even half past the hour. We also went on a bug hunt around the school and went pond dipping, finding lots of different mini beasts and recording our findings on a chart.

We had another 'Arts' session on Tuesday with Squirrels performing their number 1 hit "I Just Can't Wait To Be King" with Miss Wright and Foxes using the iPads to make some street art!

Tapestry Challenge

Thank you so much for your lovely "top tips" and posters about being in Foundation Stage. We really enjoyed sharing these in class.

As most of you are aware it's the World Cup! Do you have a favourite sports personality? If not, maybe your grown up could tell you about theirs? You could draw a picture or tell us a fun fact about your chosen sports personality and then we can share these in class next week! (It doesn't have to be a footballer haha!).

Reminders and messages

We have had a reported case of headlice in Foundation Stage this week. Please be vigilant when checking your child's hair and treat promptly if necessary.

Thank you so much for those of you that supported Mrs Herring's charity event & dragon boat race last Sunday. The children were absolutely amazing and the charity raised over £20,000 over the course of the day!

With the heatwave still going strong please remember to provide your child with a water bottle and sun hat and apply sun cream for the day.

If anyone has any bike helmets they would like to donate, please let one of the team know.

Have a lovely sunny weekend!

The Foundation Stage Team
