### Look what we've been doing!

We have had a fantastic year working alongside you and your children. We are so proud of the achievements they have made this year and know that they will continue to thrive in the Juniors.

We are sorry that we ran out of time for a newsletter last week. We still can't believe how incredible their performance of 'Animal Rumble Grumble' was. Their confidence and sheer joy was a pleasure to watch. We were totally overwhelmed with their impromptu song. It was a complete surprise, we honestly had no idea!

We started this week by visiting one more class for our Artsmark mornings. Dolphins went to Miss Wright for a little bit of musical theatre where they had to sing a few songs from 'The Greatest Showman'. Sharks visited Miss Weller and had fun creating masterpieces on the iPads.

We also started watching 'The Greatest Showman' in preparation for our circus skills day.

The circus skills day was a great hit! Everyone (staff included) had a brilliant time learning new skills showing perseverance and resilience. There weren't any clowns but there was a sea of smiley faces. It was lovely to see so many parents at the circus skills showcase. We hope you were impressed. We want this to be a memory from the Infant School that will last for a long time and be treasured!

### Reminders and messages

Once again, thank you for your support throughout the year which is greatly appreciated. Enjoy some special time this summer with your children.
