

Children's School Improvement Plan

For the period: September 2018 - July 2019

Here are some things we are going to do to help you this year.

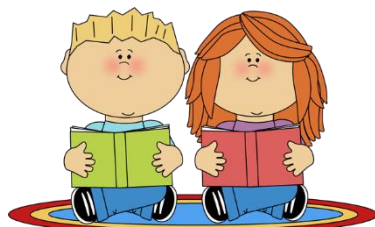

What you told us

You would like more opportunities for dance, drama, music and art.

What will we do together?

We will plan more mornings where we take part in more arts lessons and teachers who have particular talents will share them with you. We want to get more artists to work with you and also invite your families to see what we have been doing. We have a choir now for Years One and Two.

You would like more opportunities to read and share books with others.

We are going to create more chances for reading, for example at lunchtimes and with people coming to read with you. We are going to make the library more attractive and the reading books easier for you to choose from.

You would like the adults to help you even more in your lessons.

All of our staff are going to learn more about supporting you when you are explaining your ideas and also how to support you even more in your lessons. You will have more lessons with the children in the other class from your year group.

You would like more new themes in your lessons.

Your teachers are looking at new ideas including a theme across the whole school of 100 Years Ago and I believe you have been asked to arrange a celebration for Cinderella!

Some of you would like more help with your sounds and talking.

Mrs Gannicott and Mrs Standen are going to show all of the staff how to help you when you are speaking.

You would like different activities at lunchtimes.

Mrs Winsley and Mrs Theo have set up some new equipment for lunchtime including an activity kitchen and a writing and reading area.
