The Green Cross Code

To be safe on the road you need to use the Green Cross Code!

Whether you are walking, scooting or cycling to and from school, please make sure you follow the steps below.

1

THINK

Find a safe place to cross then STOP.

2

STOP

Stand on the pavement, near to the kerb and make sure you can see traffic.

3

LOOK & LISTEN

Make sure you are looking and listening both ways – turning your head each time.

4

WAIT

If there is traffic coming let it pass. Remember to check again once the traffic has passed.

5

LOOK & LISTEN AGAIN

When it is safe and there is no traffic, walk straight across the road.

Make sure you keep looking and listening whilst you cross.

6

ARRIVE
