

Children's School Improvement Plan

For the period: September 2019 - July 2020

Here are some things we are going to do to help you this year.

What you told us

What will we do together?

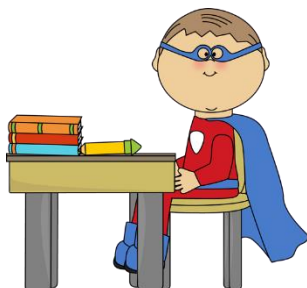

You would like time for more reading in class.

We will provide more books and change some things in the school day to give you more time. We will read together every day in class.

Some of you would like to run every day.

We will have running time every day with your year group.

We want to help you get even better at writing.

We will work with you to help you with the things you need to make your writing even better.

We want to make your learning even more interesting.

We will plan new themes and activities for you and hope to give you more special events that you will remember.

We will buy you some new board games for lunchtimes and playtimes.

We would like to look after your adults even more.

We will suggest some fun things for you and your adults to do together when you are at home.
