SCHOOL LUNCH

Next week's lunch menu will be [Week 1 – details here.](#)

SHOOTING STARS!

LUCIA for incredible cricket skills! 

GEORGE for fabulous work investigating fractions!

GEORGE for fantastic reading this week! 

LYDIA for always sharing her explanations in Maths!

ABIGAIL for being such a kind friend at breaktime! 

MICHAEL for settling so well into Parrots and WIS!

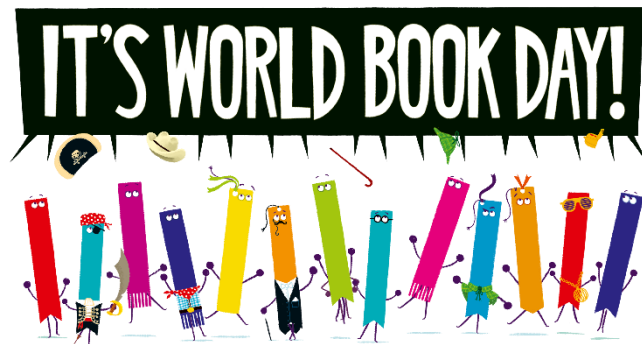

AMY G for excellent guided reading answers! 

JESSICA P for always trying her hardest!

COEN for great knowledge about animals! 

MESSAGE FROM MRS CASTELL

We had an amazing World Book Day on Thursday! Many thanks to Mrs Espinosa-Davis for organising so many activities. The children and staff looked brilliant in their costumes and enjoyed the special assembly and book quizzes. Thank you for your donations to our library, we raised over £80. This week we welcomed Foxes parents to their wonderful class assembly on the subject of pancakes. The children were so confident and we all loved their poems and rhymes and the story they had planned. My thanks go to the Foxes team for their dedication. It is Parrots turn on Tuesday. We also held our final parents lunch on Wednesday, with Turtles parents. We hope you have enjoyed the opportunity to see how lunchtimes work and what the children are eating!

I have been asked by a parent about the stickers children receive on Fridays with hippos on! They are for showing our school values and children are nominated in two ways. Firstly we have a display board in our hall where children write on tickets the names of children who have showed our values. We then share those names in assembly. Secondly the children nominate others from their class (one class per week) and they also receive stickers. Our values are: Honesty, Inclusivity, Perseverance, Independence and Politeness – HIPIP.

Events next week include our weekly Monday morning reading session, Parrots class assembly on Tuesday at 9.10am and Sport Relief Day next Friday 13th March. On this day children will be invited to wear sporty clothes or dress up as their sporting hero. Next week we will also open up our Parents Evening appointments for you to book via ParentMail. Please look out for them in the Parents Evening section of your app. Parents Evenings are Wednesday 25th March from 3.30 – 6pm and Thursday 26th from 5.30 – 8pm.

Our next Family Learning Time is on 17th March. Unfortunately due to long term staff absences we are unable to offer a crèche, as any LSAs not attached to a class will be covering missing staff.

Some of our Foxes parents are running the London Marathon on Sunday 26th April and they are holding a cake sale to raise money for their chosen charity, Action Against Hunger. This will be held on Friday 20th March in the playground at the end of the day.

Finally, can I remind you of two ways to raise money for our school at no cost to you. A [Co-op members card raises money for our Hub if you nominate our cause](#), while the [Easyfundraising](#) app allows you to click through to your usual online retailers, raising money for the school from the referral. Thank you as always for your support. Have a super weekend.

YEAR 2 NEWS

We have had another very busy week! It was so lovely to see so many wonderful book characters for World Book Day and the children had a fun day. The children are becoming more familiar with the story of 'The Moon Dragons'. They have explored the main character Alina and have developed their inference skills. Our fractions work has included finding quarters, understanding other fractions and eating biscuits to discover that a half and two

HENRY for brilliant improvement in reading!

DARIA for listening carefully and following instructions really well!

FREDDIE for taking part in our World Book Day quiz with great enthusiasm & listening carefully!

READERS OF THE WEEK!

RIHANNA, RALPHIE, ALEX, FINN, LEO CH, MICHAEL

LISTENERS OF THE WEEK!

NATALIA, JACOB, RUBY, LOUIE, OLIVIA M, AUSTIN

COMMUNITY LINKS

quarters are equivalent! You may have already heard about the mystery of the missing chocolate cake. This is part of our 'We are detectives' computing unit. This unit focuses on electronic communication, reading, sending and replying to emails. Later, the children will have the opportunity to create a table on Excel based on fact files to work out the culprit. Four of our Year 2 girls took part in a cricket training session as part of an initiative to encourage girls to play cricket and spot talent at an early age. We hope to see them teaching their skills to the rest of Year 2 soon!

YEAR 1 NEWS

This has been a fun week! In English we have been acting out parts of our story 'The Marvellous Moon Map'. We used dictionaries to find definitions of different words, and then decided whether we thought those words best described the mouse or the bear. We then created our own version of the mouse's bedroom using his love of space to decorate the room. In Maths we have continued to use our knowledge of measurement to measure objects that are taller, longer or shorter than each other. We used non-standard units of measurement such as multi-link, it was super fun and we had fun exploring the classroom, measuring different items. We have also learned all about different symbols in religion. We chose an animal that best represented our partners, for example a lion because they are brave and strong. We then sketched a picture of this animal and stuck it in our reflection books.

FOUNDATION STAGE NEWS

What a great day 'World Book Day' was! We loved seeing all the costumes, we were especially amazed some of the homemade ones! The children enjoyed the quiz and were very confident as they went to different classes to complete the quiz. We tried to read most of the stories they brought to school, we shall continue to read them next week if the children want to bring them back in or leave them at school.

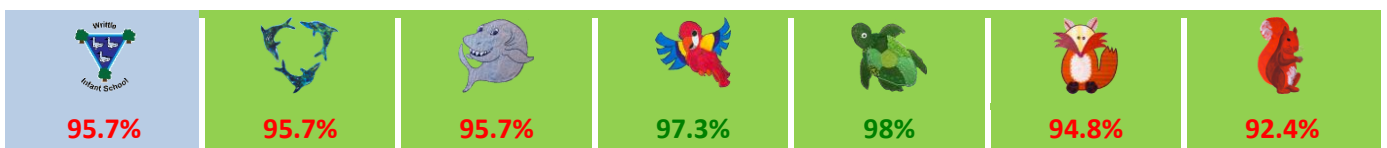

Thank you for coming to Foxes class assembly, the children loved sharing their poems, songs and dances with you! The children who went to 'Balanceability' had a great time and all the children will get a chance to have a go when the organisation come into school. Thank you to Mrs Giles and Mrs Scott-Simons for taking the children.
