Dear All

We hope that you have had a good weekend and managed to enjoy at least some of the lovely weather.

We are sure that many of you watched the Prime Minister's speech last night in which he broadly outlined how the government hopes the country will be moving forward in the coming months.

As part of this speech he referred to primary schools. Very little detail was shared and we are currently awaiting further guidance from the Department of Education and the Local Authority to clarify what these expectations actually look like in an Infant or Junior school setting.

In the short-term, nothing has changed and we will provide further information in the coming days and weeks once we are able to do so.

Warm regards,
