

**If your child shows ANY of the following symptoms, isolate the whole household and [book a coronavirus test](#) as soon as possible.**

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

**When you receive your test result, you must follow the instructions below:**

**How long has it been between your child being in school and them first displaying symptoms?**

If your child was tested with no symptoms, please go by the time of their test instead.

**Less than 48 hours**

(Symptoms appear on 19th/20th December)

COVID-19

negative

Email
