

NAME:

Read a newspaper article.

Choose and read a dragon related story (any length).

Write a poem about a dragon.

Write your own dragon story.

Cut or divide different foods into halves, quarters and thirds (make sure each part is equal).

Recall doubles and halves (at least up to double 15).

Find different shapes around your home (identify/check the properties, faces, edges and vertices).

Help to clear up after a family meal.

Learn how to make a cake.

Hoover a room in your house.

Look for signs of Spring

Take a few mindful moments. Maybe cuddle on the sofa with a blanket, listen to your favourite song or lose yourself in a favourite book.
