

14TH MAY 2021

On Friday 14th May 2021 all children at the school will be taking part in a sponsored Mini Marathon. Every child will aim to complete 1 mile (26 laps round the centre of the playground) by any means - running, walking, skipping or jumping. If every child in a class finishes their mile, the class will have completed a full marathon between them; a wonderful achievement!

Please help your child get as many sponsors as they can, so that WISPA can fund lots of fun things they have missed out on in the previous year. Thank you.
