

CMXSC LTD

WHO WE ARE

CMXSC LTD is an exciting primary sports coaching company formally Elite Basketball UK. This rebrand is the evolution of a company that since its creation in 2013 has grown, developed and built a strong reputation within Essex as a primary school sports provider. With this evolution comes fresh ideas, teaching styles and vast experience of teaching and coaching in a school environment.

WHAT MAKE US UNIQUE

We pride ourselves on our reputation of being a company that goes the extra mile for its schools, teachers and children. We want to build long lasting relationships with schools and staff with our personal touch. Our core values are through sports teaching all children the importance of a active, healthy lifestyle in a fun and exciting way. Whilst also teaching children how to overcome adversity, build character, raise confidence and self esteem.

Our Vision

Our vision is to enable each child we teach the opportunity to help build a positive relationships with physical activity. Learning life skills, building character, raising self esteem, inner confidence, belief and the importance of a healthy active lifestyle.

Through PE we believe we can teach children the importance of communication, concentration, team work, overcoming obstacles, problem solving, planning and preparation amongst many other life skills that can then be applied into the classroom environment and into life as they become teenagers and adult.

" We believe in building great relationships with schools & children, leaving a lasting impression teaching valuable life skills creating memories and changing lives."

PE & SPORT PREMIUM

With the Government's fantastic support and commitment to continue the PE and Sport Premium funding for primary schools across England, along with The Department for Education who have authorised the rollover of any PE and Sport Premium funding that has not been used in the current academic year due to Covid-19 gives primary schools a huge boost in provision they can provide for the development of sport, children's health and wellbeing.

CMXSC and its staff believe that Physical, Mental, Emotional and Social wellbeing of our children and young people should be at the heart to school life. The PE and Sport Premium Funding will not only support the physical aspect of our children, but also the Mental, Emotional and Social benefits that Sport and Physical Activity brings. The effects of Covid 19 on this generation of children will be felt for many years and the PE & Sport Premium funding is massively important for the next academic year and beyond.

We as a company and coaching staff are ready to work with you and your school in its delivery of the PE & Sport Premium funding. Designing and unique and long term strategy for your school and it needs.
