

## Children's School Improvement Plan

For the period: September 2022 - July 2023

Here are some things we are going to do to help you this year.

### What you told us

### What will we do together?

 <p>We want to continue to learn about lots of different subjects.</p>	<p>Your adults will spend time looking at all of your learning and how we can make it even more interesting such as adding in special days and weeks. We would like your ideas in class, when you meet with Mrs Castell and through your school council. We want to visit the library more both in school and also in the village.</p>
<p>We want to help you to understand your feelings and different ways of talking to your friends.</p>	 <p>Your adults will help you with words for your feelings and also time to work together with your friends.</p>
 <p>We want to help you to write even better than before.</p>	<p>We will give you a lot of chances to write and share your work and make sure that you have a chance to understand different types of writing.</p>
<p>We want playtimes and lunchtimes to be even better.</p>	 <p>We are going to buy new toys and teach you new games for break times.</p>
