

## **Welcome to Suffolk Slice!**

My name is Deborah and I have recently relocated from Suffolk to Chelmsford. I have a beautiful converted horse trailer from which I sell all my handmade bakes at various shows, markets and private events as well as offering a home delivery afternoon tea service. I have already met several new customers in Writtle and my Grandson also attends Writtle Infants.

I am very excited to be attending your Summer Fair on Saturday 1st July!

I will have my trailer packed with lots of summer bakes for you to try including a range of large cakes sold by the slice, bespoke brownies, blondies, loaded summer themed cupcakes, traybakes, cookies and much more!

In true British tradition I will also be offering a Cream Tea special which can be pre-ordered, collected on arrival and eaten whilst enjoying all the fun of the fair!

There will be a limited number of boxes available so please do get your order in early!

**Please email [suffolkslice@gmail.com](mailto:suffolkslice@gmail.com) to place an order.**

**The last date to preorder will be Wednesday 21<sup>st</sup> June.**

. A percentage of the money raised will go to the PTA who work so hard to raise money for this lovely school.

I look forward to meeting you on the day for a chat and a piece of cake!
