I can put my coat on by myself and do the zip or buttons.		I can play a game with someone else and take turns.		I can say if I am not happy with something.	
I get dressed and undressed by myself and put my shoes on.		I know how to share with my friends.		I can ask for help if I need it.	
I can go to the toilet by myself and wash my hands.		I am getting better at concentrating when I am doing something I enjoy.		I like to drink water and eat fruit and vegetables.	
I can use a knife and fork correctly.		I am becoming more outgoing and confident and I am happy to go into Preschool/ Nursery.		I can tidy up things that I have been playing with.	

Please comment above if there is anything else you would like to tell us...

We would love to see your child's learning Journey/Special book from pre-school or nursery. Please bring it to school during the first week of school as it will be a great opportunity for us to be able to chat to your child about their learning journey and get to know them!

We would also like you to make a treasure box with your child to bring to school during their first full week of school. The treasure box needs to be made from a shoe box and be covered and decorated by you and your child. Inside the box we would like you to collect things that tell us a bit about your child.

You could put in:

Photos of their family/pets Photos of special days or visits

Pictures your child has drawn

Your writing of their favourite food, toys, games or friends etc.

We can't wait to see them! Many Thanks. We will send them home later on in the term.

Have a great summer, see you soon,

Mrs Giles, Mr Williams and Mrs Fisk
