

WRITTLE CRICKET CLUB

Writtle Cricket Club are always looking to provide a warm welcome to players of all ages and standards. We play at Paradise Road [CM1 3HW] in the village and have outstanding facilities on and off the pitch.

We currently play the following cricket (all activities are suitable for all genders):

- Saturday afternoon league cricket from start of May to end of August in the T Rippon League with teams in Divisions 1 and 7.
- Midweek evening T20 matches during the summer.
- During winter, indoor league cricket in Chelmsford and indoor net practice.
- Youth cricket at various age groups (currently from U9 to U15) including entrance into league and cup tournaments, indoor nets from the start of January to the end of March followed by summer outdoor practice.

We have in the past had a ladies team and would welcome the opportunity to resurrect this or to increase the cricket we currently offer.

If you are interested or would like further information, please contact:
