Dear Parents

Following the success of the last offer in February, which raised £124 for the schools, Miss Wakeling's ice hockey team the Romford Buccaneers are again offering half price adult tickets with all children free, on the 22nd March, when they take on local rivals the Chelmsford Chieftains in what is set to be a huge derby game. Every ticket sold raises £2 for our schools, both us and the Romford Buccaneers would love your support. Please share with your friends and family too as this is a great opportunity for fundraising for the school, whilst experiencing the fastest team sport in the world. It was so lovely to see so many parents and children at the last game and the team really did appreciate everyone cheering them on, the atmosphere was amazing!

Please use this link <https://bit.ly/3QfsYLT> or the QR code below. This will take you directly to TicketCo where you'll be asked if you have a PROMO code, please enter WRITSCH - this will give you the option to purchase £5 adult tickets and free child tickets.

Thank you for your support

Kind regards
