

Flu Vaccination Final Reminder

Dear Parent/Carer,

If your child has missed having their Flu vaccination at school, please click on the link below to book a catch-up appointment at a local clinic. You can book for both the Flu Nasal Spray and the Porcine free IM Vaccine.

During last year's flu season the flu virus caused children and young people to be admitted to hospital, and some into intensive care, at increasing rates to previous years. The flu virus could make your child extremely unwell and can lead to severe ear infections and bronchitis and pneumonia (chest infections) in children and young people.

Flu vaccines are safe and very effective at reducing the risk of contracting flu. Children who have the flu vaccine are less likely to pass the virus on to friends and family, especially those who may be at greater risk from flu, such as young babies, elderly people or friends and relatives with a serious health condition.
