

# WRITTLE SCHOOLS UPDATE

THURSDAY 12TH FEBRUARY 2026

Dear Parents,

Love was in the air this morning as the Friends of Wittle Schools' collected the amazing entries for their Draw Something You Love competition. Well done to our winners, Beatrix (Reception), Violet D (Y1), Bailey (Y2) Tristan (Y3), Melody (Y4), Annabel (Y5), Layla (Y6)!

Thank you to everyone who came to our Parents' Evenings this week, we are very proud of the children's progress and we're sure you are too. Our year groups have been busy wrapping up this half term's topics and the children's design and technology skills have been put to great use across both schools! Year 2 carved awesome-looking dragons from clay while Year 3 used recycled materials to create incredible costumes for their Trashion Show. Year 4 constructed Iron Man heads and engineered amazing pneumatic devices to make their eyes and mouths move. They also represented us brilliantly at the Superstars PE competition, all the children competed with enthusiasm and good humour but special mentions go to Adley who won a gold medal and Finley who won a silver medal at the event.

There are lots of updates to our [Community Links page](#), so please take a look for resources and activities over the half term break. Do keep an eye on future communications regarding clubs for next half term, as well as for World Book Day and Red Nose Day, as those dates will come around very quickly!

Wishing you all a restful half term week, we will see you again on Monday 23rd February.
