

WRITTLE SCHOOLS UPDATE

FRIDAY 17TH APRIL 2026

Dear Parents

Something "Ewe-nique" is Happening! Our school field has been a little bit fluffier since Monday as we have given a warm, bleating welcome to our temporary residents: seven spring lambs! It has been great to have such hands-on learning with our fleecy friends and it's lovely to watch the children take such good care of them. We really must thank Writtle ARU and their farm manager, Alex, for making it happen. We can't wait to see how this project grows in the coming years.

The Infant School celebrated World Art Day on Wednesday, with the help of local artist Hannah Winter, who guided the children in making a wonderful collage depicting the children in their school uniforms for our reception noticeboard. large format artwork. Each class studied works of art from a chosen artist and every child created a self-portrait in the style of that artist. We can't wait to display these in our classroom corridor!

The Juniors' Pod now has its very own living wall - sort of! With the support of the wonderful Writtle WI, a display of woollen flowers, leaves and vines is now attached to the Pod, all hand knitted by Maxine and her incredibly hardworking team. It looks absolutely amazing and so colourful on our playground. It was great to meet so many of the WI when it was put up and we will also be welcoming them to our Celebration Assembly on Friday 24th April to say a proper thank you.

Mr Taylor has one more week of training before he runs the London Marathon. Please follow this link if you'd like to sponsor him: [Sponsor Mr Taylor's London Marathon run!](#) All money raised goes to The Children's Society.

Enjoy your weekend.

NP Taylor
