

CHALLENGING ATTITUDES, CREATING CHANGE

22 September 2026 • 9.30am – 2.30pm • Braxted Park

Calling all Year 5 & 6 teachers – sign your class up for Essex’s Climate Action Anti-Litter Festival at Braxted Park, an inspiring day of fun, interactive activities and environmental action for the next generation of leaders!

Join us for the FREE ‘Let’s Talk Trash’ Festival at Braxted Park!
A fun, interactive and inspiring day for Year 5 & 6 students across Essex.

‘Let’s Talk Trash’ is a unique, high-energy festival designed to engage young people through exciting, hands-on experiences that raise awareness about the impact of litter and waste on climate change.

Open to schools across Essex, this free event is packed with fun, educational activities that inspire students to think differently about waste – from recycling and reusing to repairing and reducing. The goal? To spark real change in schools, families and local communities.

Students will:

- Take part in creative workshops
- Meet inspiring environmental leaders
- Learn practical ways to take action
- Discover how small changes can make a big difference

This is more than just a school trip – it’s a chance to be part of a movement that empowers the next generation to protect their planet.

Places are limited – sign up your Year 5 or 6 class today and be part of something extraordinary!
